Great Whyalla bands
Donations can be made on the night

Advancing Whyalla has been asked to organize an appeal for the Bali victims. This is a good opportunity for the Whyalla community to come together to help out others in need.

Rather than each of us making a contribution individually it was thought that a united Whyalla could provide assistance. South Whyalla Football Club have kindly offered their venue and Trevor Rattley from Music Corner has donated his time in contacting local bands.

The response has been wonderful with a number of local bands willing to share their time and talents. Gavin Chandler is also providing equipment to be used on the night.

There will be raffles and also an opportunity for donations to be made on the night.

The bands performing are:

- * **Just in case**
- * **Swing Shift**
- * **Ted Kittel and Band**
- * **Mr Jones**
- * **Money for Jam**
- * **Jeanie**

Central Television, the Whyalla News and 5AU have all been most supportive of Advancing Whyalla's quest to raise awareness of the Bali Appeal.

All the money raised will go to the Red Cross Bali Appeal.

People have spent a lot of time and effort to get this fundraiser underway so please try and get along and support Advancing Whyalla and the Whyalla community in raising money for a very worthy cause.

*Yesterday is history. Tomorrow is a mystery.
Today is a gift. That's why it's called the
Present!*

REGIONAL SOLUTIONS TOUR

Advancing Whyalla Leadership Camps were featured in the Office of Regional Developments Resource Kit. Therefore we were approached in regards to the Building Positive Rural Futures Tour that was conducted in August. Approximately 30 people from various Councils and Development Boards across the state took part in the tour. Information I had compiled from the camp was distributed and Russell Bambridge did an outstanding job of addressing the group. Discussing Advancing Whyalla's establishment and commitment to Youth in Whyalla, also the upcoming youth leadership camps and DJ Training. Feedback indicated each person on the tour learned so much and was really enthusiastic about the whole experience.
