At the Advancing Whyalla Planning Day held in September last year a number of projects were defined. One of them being to update our web site, I am pleased to report that due to the commitment of Russell Bambridge this has now been achieved. It really is worth a look!

Advancing Whyalla web-site:

- ◆ Overview
- ◆ Objectives
- ◆ Meetings
- ◆ Committee
- ◆ Newsletters
- ◆ Strategic Plan and Constitution
- ◆ Membership and Feedback Form
- ◆ Contact Details

There is still some work to be done on the site but is an ideal way to promote Advancing Whyalla.

It has been brought to the attention of Advancing Whyalla Committee Members on a number of occasions the success of the Whyalla Graffiti Removal Team – Tagbusters. Locals and visitors alike have commented on the lack of Graffiti in Whyalla.

The people who give up their time and commit themselves to keeping Whyalla graffiti free are to be congratulated.

In March Tagbusters will be taking the trailer to Adelaide again for the South Australian Police Expo. This will be another plug for the

community spirit in Whyalla.

You too can help them in their quest, if you come across graffiti call **8648 8020**, the number for the Whyalla Police Station who will take a report and then activate the team.

If anyone would like further information or would like to volunteer for the Graffiti Removal Team please contact the Advancing Whyalla Office.

You will be put in contact with Ray Leane the Graffiti Removal Coordinator.
