YOUTH LEADERSHIP CAMPS

The latest youth leadership camp was held 28/29 August at Errappa Blue Light Camp at Iron Knob.

Camp activities included problem solving and team building games using outdoor camp equipment.

This was reinforced by learning to belay and climbing to new heights, challenging each individual.

Team members spent part of the weekend identifying assertive, passive and aggressive behavioural styles and role plays; also team and trust building exercises.

The culmination of the camp was the "leap of faith" which I can attest was definitely a challenge of courage and faith.

I felt extremely proud of all the camp attendees; watching

as they encouraged and supported each other to "give it a go".

The Youth Leadership camps give the youth of Whyalla the opportunity to challenge themselves both mentally and physically and provides them vital tools to become future leaders.

If you know of any potential leaders aged 15 - 18 please nominate them at the Advancing Whyalla Office with their details.

AGM

The Advancing Whyalla AGM was held on Thursday 9th September. followed by a dinner at the Hotel Spencer. The AGM was held at the Hotel Spencer. The night was thoroughly enjoyed by all that attended.

ADVANCING WHYALLA @ WHYALLA SHOW

The Whyalla Show was held on 21st and 22nd August.

The main focus of the Advancing Whyalla stall was to promote membership through a raffle, with tickets in the draw being available for becoming a member or joining our mailing list. The prize was one of Russell Bam-

bridge's prize winning photos which depicted Roopena Station. Also included was promotion of the Wellness Guide and Welcome Packs.

This generated 18 new financial members and 53 people added to the mailing list.

It had been decided to help lift the workload

we work in conjunction with other organisations.

The CREATE group expressed an interest in being involved, and therefore was also promoted within the Advancing Whyalla Stall. This brought additional members to assist in staffing the stall.
